Subject : Indent of stationery of the Cotton Breeder, S.M.C., Dharwar, for the year 1945-46.

No.S-72-43665 of 1946. Poona, 27th December, 1946

The Deputy Director of Agriculture, S.D., Dharwar, states that the Cotton Breeder, S.M.C., Dharwar, requested the Superintendent, Government Printing and Stationery, Bombay, by wire to supply certain stationery articles for the year 1945-46 and that the latter passed the indent for compliance and stated that efforts would be made to supply the articles early but that if the articles were not received within a fortnight the Cotton Breeder might purchase only urgent requirements locally, vide please copy of letter No.492 dated the 14th November 1946 from the Superintendent, Government Printing and Stationery, Bombay, attached. In this connection, I would invite attention, to article 55(c) of the Manual of Contingent Expenditure under which the local purchase of articles of stationery is not permissible. As, however, the articles are most urgently required and the Superintendent, Government Printing and Stationery, Bombay, has allowed their local purchase, I am allowing the Deputy Director of Agriculture, S.D., Dharwar, to purchase the articles required by the Cotton Breeder to the extent of Rs.25/- and trust that my action may be approved.

For Director of Agriculture.

Attention is invited to Article No.55(c) of the Manual of Contingent Expenditure which reads as follows:-

"(c) Unless specially sanctioned by Government, on the recommendations of the Superintendent, Government Printing and Stationery, local purchase of articles of stationery, rubber stamps and other articles usually supplied by the Stationery Department is not permissible."

2. It will be seen from the above mentioned article that the Govt. sanction is necessary to purchase the articles locally. As the Superintendent, Government Printing and Stationery, has asked the Cotton Breeder S.M.C., Dharwar, to purchase the articles locally, there seems no objection to approve the Dir's action in allowing the Dy Dir of Agri S.D. Dharwar, to purchase the articles required by the Cotton Breeder to the extent of Rs.25/-.

3. In view of what is stated in para.2 above, th Dir's action may be approved. The draft letter a endt. overleaf may issue after U.O.R. to G.D. and F.D.

Director of Agriculture, S.D., Dharwar thereon. In view of the fact that all stationery has been exhausted 6 months back and that it is not possible for the Superintendent, Government Printing and Stationery, Bombay to supply the stationery articles during the current month, I request that Government may be moved to accord their sanction to the local purchase of stationery articles to the extent of Rs.50

In view of the urgency of the matter, I am allowing the Cotton Superintendent, S.M.C., Dharwar to purchase the articles anticipation of Government sanction.

Copy of letter No.469 of 8-3-47 from the Cotton Superintendent, S.M.C., Dharwar addressed to this office through the Dy.Director of Agriculture, S.D., Dharwar regarding supply of Stationery Articles for the year 1946-47.

.....

I have the honour to bring to your kind notice that the indent of the stationery articles for the use of the I.C.C. C.Staff for the year 46-47 was submitted to the Superintendent, Govt. Printing and Stationery, Bombay under this office No.534 of 6-9-46. The superintendent informed this office about the bill pending for payment in connection with the supply of Stationery articles for 45-46 under this No.A.B. 1658 of 16-12-46.

As the amount was paid before the close of the financial year 1945-46, the challan under which the amount was remitted by your office to the Superintendent, Govt.Printing & Stationery Bombay in the month of March 1946 was forwarded through the Treasury officer, Poona to the Supdt., Govt. Printing & Stationery, Bombay to ascertain the payment of the bill in question.

Later on, repeated requests were made to the Supdt., Govt. Printing & Stationery, Bombay to supply the stationery articles ~~under~~ indented under this office No.534 of 6-9-46,

As a reply to wire issued by this office on 20-2-47, the Supdt.,Govt.Stationery & Printing, Bombay informs me that he is unable to supply the articles indented due to the communal disturbances and other labour troubles and to purchase urgent requirements locally. (A copy of his letter is enclosed herewith).

It may be mentioned here that the amount provided for the purchase of the stationery articles in the schere is to be utilised before the close of the financial year i.e., before 31-3-47.

Moreover, all stationery under the Scheme has been exhausted 6 months back and the staff at different centres is much handicapped for want of the same. This office and some Cotton Overseers have borrowed stationery articles from other offices who press them to return now.

Under these circumstances,and in view of the fact that it is not possible for the Superintendent, Govt. Stationery & Printing, Bombay to supply the articles during the current month, I request you to be so good as to allow me to make local purchases of the stationery articles at an early date. As very little time is left at my disposal I shall be obliged if I am informed in a couple of days.

Very urgent.

No.C/128 of 1947. Dharwar, March 1, 12-3-47.

Forwarded with compliments to the Director of Agriculture, S.D.,Poona for favour of information and with a request to kindly accord sanction for the purchase of stationery articles upto Rs.50/- (fifty only) in view of the letter No. 494 of 5-3-47 from the Superintendent, Govt. Printing & stationery, Bombay and the difficulties mentioned by the Cotton Supdt., S.M.C., Dharwar.

Soliciting a very early action in the matter.

Copy of letter 494 of 5-3-47 from the Supdt., Govt., Printing & Stationery, Bombay, regarding wire of 25-2-47 addressed to the Cotton Superintendent, S.M.C. , Dharwar.

The work of this office has fallen in arrear to a large extent due to the communal disturbances and other labour troubles. It is not, therefore, possible to supply immediately the articles required by you. Efforts are, however being made to minimise the accumulation by complying with the indents according to the order of receipt. This arrangement will result in delaying the supplying of articles indented for by you, but in order to avoid any inconvenience, I request you to kindly purchase your urgent requirements locally if the articles are not received in time. In view of the explanation given above, I hope you will extend co-operation and show slight tolerance.

In the circumstances stated by th
his proposal to grant permission to the Cotton Supdt., S.M.C.,Dharwar, to purchase stationery articles locally to the extent of Rs.50, may be sanctioned.

2.Action taken by the Dir., in allowing the Cotton Supdt.,S.M.C.,Dharwar, to purchase the articles locally, in anticipation of Govt. sanction,may also be approved.

I have the honour to state that this office Indent of Stationery for 1946-47 was submitted to the Superintendent of Stationery, Bombay, during October 1946. He has not yet supplied the articles. Repeated reminders have been made till date but no response from him. The stock of stationery articles is quite exhausted and loans from other offices cannot be secured since they have also their limited stock. Under the circumstances the work of the Paddy Scheme No.18 is undergoing a serious inconvenience of the maintaining proper records. I, therefore, request you that you will be so kind to accord post-facto sanctioned for the purchase of essential stationery articles locally within Rs.50/- from this office contingency at a very early date - mainly for the purpose of papers, for want of which the office work is affected.

To

The Director of Agriculture,
B.P.,Poona, I.

Subject :- Purchase if papers locally for urgent use of the Dy.Director of Agriculture, S.D.,Dharwar.

I have to state with regret that the stationery was supplied partly to this office for the year 1946-47. Out of this stock some stationery is spared to the Principal,College of Agriculture,Dharwar. He has not yet returned the same as yet as he has not been supplied with his stationery. In addition to my rountine work, the correspondence work has been tremendously increased during the current year in this office since the Dry Farming staff and well Inspectors staff are transferred to this Department. As a result of all this the stock of papers is almost exhausted and it is not possible to run the office unless some quantity of papers is purchased locally to attend the correspondence work until the remaining of stationery indent is received in this office. Necessary requests have been made to the Superintendent, Government Printing and Stationery,Bombay for supply of the remaining indent of stationery.

In the meanwhile you are requested to be so good as to accord sanction for purchase of papers locally to an extent of Rs.50/- for urgent use of this office.

A very early action and reply is solicited.

2. The real intention in referring these papers was to the Suptdt, G.P.& S., was to bring to his notice the request made in the A.S's note, dated the 17th June 1947, seems to have overlooked been kept upon the Suptdt, G.P.& S. which is evident from the fact that he has confined his foregoing remarks again to the three indents of the three officers mentioned in the office note dated the 6th June 1947, the compliance of which has already been reported by him in his letter dated the 13th June 1947. No action is, however, req. now the papers may be filed.

3. A c.c. of the Suptdt's memo. No. 1026 dated the 13th June 1947 has been recd. along with these papers probably through mistake. It may be returned to him for cover.
